

Disc Golf Rules, Safety and Etiquette

Objective of the Game

Disc Golf is played like traditional golf, but with disc golf discs instead of balls and clubs. One throw (stroke) is counted each time the disc is thrown and when a penalty is incurred. The goal is to play each hole in the fewest strokes possible. The player with the lowest total strokes for the entire course wins.

Safety First

Never throw when other players or other pedestrians are within range. Always give pedestrians the right of way. Be aware of your surroundings and environment at all times.

Tee Throws

Each hole begins with a tee throw. Tee throws must be completed within or behind the designated tee area.

Lie

The spot where the player's previous throw has landed. Mark each lie with a mini marker disc or leave the thrown disc on the ground where it landed. The player's subsequent throw is made from directly behind the marked lie.

Throwing Order

The player with the least amount of strokes on the previous hole is the first to tee off on the next hole. After all players have tee'd off, the player whose disc is farthest from the target throws first, and so on.

Fairway Throws

Fairway throws must be made from directly behind the lie. A run-up and normal follow-through, after release, is allowed, unless the lie is within 10 meters of the target. Any shot within 10 meters of the target requires that the player maintain balance and not move past the lie until the disc comes to rest.

Completion Of Hole

A disc that comes to rest in the disc golf basket or suspended in the chains constitutes the successful completion of that hole.

Out Of Bounds

If any area of O.B. is visible between the disc and O.B. line, then the disc is considered O.B. A throw that lands out of bounds, must be played from a point up to 1 meter in bounds from where the disc crossed over the out of bounds line. O.B. zones are indicated on the course map, however, permanent water hazards, roads/parking areas, and property boundaries are also considered out of bounds.

IMPORTANT!

This is a multi use facility and an active equestrian centre. Please be mindful of other activities (xc-skiing, hiking, etc) taking place. In winter please do not walk on the track set portion of the ski trails. Always yield to equestrians and never throw discs in the vicinity of horses.

No smoking on the course.
